Banana Boys The Play tells the story of four Filipino-American brothers: Jun, Mack, Bryan, and Eugene. The brothers have all grown up and moved away from their childhood home, but they are reunited after their father's death.

As the brothers gather at their father's house, they begin to reminisce about their childhood. They talk about the funny and embarrassing moments they shared, the arguments they had, and the love they always had for each other.

As they talk, the brothers also begin to learn more about their family's history. They learn about their father's journey from the Philippines to the United States, and about the sacrifices he made for his family.
