Synopsis

The Justice League of America is called to investigate a series of strange animal attacks in Metropolis. The team soon discovers that the animals are being controlled by a mysterious energy source. The Justice League tracks the energy source to a secret laboratory, where they find a group of scientists who are using the energy to create an army of super-powered animals.

The Justice League defeats the scientists and frees the animals. The team then learns that the energy source is a new form of radiation that has the potential to mutate animals into powerful creatures. The Justice League realizes that the radiation could be used for evil, so they decide to keep it a secret from the world.

Review

Justice League of America #135 is a classic Silver Age comic book. The story is exciting and action-packed, and the characters are well-developed. The issue also features some great artwork by Dick Dillin and Joe Giella.

One of the things that makes Justice League of America #135 so special is the way it handles the theme of animal rights. The issue shows that

animals are capable of great intelligence and compassion, and that they deserve to be treated with respect. The issue also shows that the Justice League is committed to protecting all life, even the animals.

Justice League of America #135 is a must-read for fans of the Silver Age of comics. The issue is a great example of the fun and excitement that made the Silver Age so popular.
