John's music is known for its catchy melodies, soaring vocals, and flamboyant style. He has written some of the most iconic songs in pop music, including "Your Song," "Rocket Man," and "Candle in the Wind."

In 1973, John released his tenth studio album, "The Little Book of Music 10." The album was a commercial success, reaching number one in the UK and number two in the US. It also spawned several hit singles, including "Daniel" and "Bennie and the Jets."

The Little Book of Music 10 is a diverse album that showcases John's wide range of musical talents. The album features everything from upbeat pop

songs to heartfelt ballads. It is a must-listen for any fan of Elton John.

## **Early Life and Career**

Elton John was born Reginald Kenneth Dwight on March 25, 1947, in Pinner, Middlesex, England. He began playing piano at an early age and showed a natural talent for music. At the age of 15, he won a scholarship to the Royal Academy of Music in London.

After graduating from the Royal Academy of Music, John began his professional career as a session musician. He played on records for a variety of artists, including Long John Baldry, Kiki Dee, and The Who.

In 1967, John met lyricist Bernie Taupin. The two formed a songwriting partnership that would go on to produce some of the most successful songs in pop music history.

John's first solo album, "Empty Sky," was released in 1969. The album was not a commercial success, but it did help to raise John's profile.

## **Breakthrough and Commercial Success**

John's breakthrough came in 1970 with the release of the album "Elton John." The album was a commercial success, reaching number four in the UK and number eight in the US. It also spawned several hit singles, including "Your Song" and "Border Song."

John followed up the success of "Elton John" with a string of hit albums, including "Tumbleweed Connection" (1970), "Madman Across the Water" (1971), and "Honky Château" (1972).

In 1973, John released "The Little Book of Music 10." The album was a commercial success, reaching number one in the UK and number two in the US. It also spawned several hit singles, including "Daniel" and "Bennie and the Jets."

John continued to release successful albums throughout the 1970s and 1980s. He also had a number of hit singles, including "Candle in the Wind" (1973), "I'm Still Standing" (1983), and "Sacrifice" (1989).

### **Later Career and Legacy**

In the 1990s, John's career began to slow down. He released several albums, but none of them were as successful as his earlier work.

In 1997, John was diagnosed with prostate cancer. He underwent successful treatment and has been cancer-free ever since.

In the 2000s, John continued to release albums and tour. He also became involved in a number of charitable causes, including the Elton John AIDS Foundation.

Elton John is one of the most successful and celebrated musicians of all time. His music has touched the lives of millions of people around the world. He is a true legend of pop music.

### **The Little Book of Music 10**

The Little Book of Music 10 is a diverse album that showcases John's wide range of musical talents. The album features everything from upbeat pop songs to heartfelt ballads.

The album opens with the upbeat and catchy "Daniel." The song is a tribute to John's friend, Daniel Taupin. It is a simple but effective song with a memorable melody and catchy lyrics.

The next song on the album is the more subdued "Bennie and the Jets." The song is a slow-burning ballad with a haunting melody and beautiful lyrics. It is one of John's most iconic songs and has been covered by a number of artists.

The rest of the album is filled with a variety of songs, including the upbeat "I've Been Loving You" and the heartfelt ballad "Candle in the Wind." The album closes with the rousing "The Greatest Thing About Her Is Her Mind." It is a powerful song with a positive message.

The Little Book of Music 10 is a classic album from Elton John. It is a diverse and well-crafted album that showcases John's wide range of musical talents.
